The screenshot shows a development environment with the following components:

- IDE (VS Code):**
  - Explorer:** Shows the project structure with files like `main.dart`, `homepage.dart`, `topup.dart`, `itemPage.dart`, and `CartBottomNavBar.dart`.
  - Editor:** Displays the `itemPage.dart` file with Dart code for a `Text` widget. The code includes styling for text (font size, weight, color) and padding.
  - Terminal:** Shows the application running successfully with messages like "Restarted application in 226ms."
- Mobile Emulator:** Displays a mobile app interface titled "Baju Skena" (Streetwear). It lists four t-shirts for sale:
  - Kaos sex pistol:** Size S,L,XL, Price Rp. 1.250.000.
  - Kaos Band RANCID:** Size S,L,XL, Price Rp. 1.000.000.
  - Kaos Band Nirvana:** Size S,L,XL, Price Rp. 2.000.000.
  - Kaos THRASHER:** Price not visible.

## TAMPILAN 2
